

Hello, and thank you for your continued support of For A Day Foundation Atlanta.

As Barbara and I navigate the transition of directorship I have been restructuring our foundation so we may serve more families at the Atlanta Ronald McDonald House Charities. Emotionally therapeutic experiences for children battling cancer and other chronic illnesses provides a joyful and much needed diversion from the strain of chronic treatment. Just yesterday we tested a new program: Character Meals! Volunteers dressed as characters from our Hero and Queen For A Day Events to serve the Peachtree Dunwoody House breakfast. Special thanks to Mr. Swiss Restaurant for opening up on a Sunday to make a special catering order for the Peachtree Dunwoody Ronald McDonald House.

Even more thanks to the volunteers yesterday, Logan (Board Member) and Casey (a first time volunteer). Volunteers are what makes this foundation run. Without the service that you provide, For A Day Foundation Atlanta would not be able to continue our mission to bring a smile to a child's face.

I would like to personally invite you to volunteer your time and energy to make the day of one of our queens or heroes a little brighter. Whether you wish to visit the children, volunteer to help raise funds, or make blankets, there is a job for you to help our organization. Please consider leaving your information with us on the form below. If you would like to be even more involved with our programs please ask us about our open Intern and Board Member positions.

For the Kids,
